

POLYMER CONTINUOUS HINGES IN 15.25 METER ROLLS

44-7-3007

Technical features:

- Temperature: -40°C up to +80°C.
- Can be fixed with: rivets, screws, nails or clamps.
- Chemical resistance: oil, solvents, sea water and most chemical agents.
- Tensile resistance: 180 N/cm.
- Material offers excellent fatigue resistance.

Material	polypropylene
Weight (g)	2300 g
B	50.8 mm
C	3.2 mm
Finish	grey
