

## POLYMER CONTINUOUS HINGES IN 15.25 METER ROLLS

## 44-7-3009

Technical features:

- Temperature:  $-40^{\circ}$ C up to  $+80^{\circ}$ C.
- Can be fixed with: rivets, screws, nails or clamps.
- Chemical resistance: oil, solvents, sea water and most chemical agents.
- Tensile resistance: 180 N/cm.
- Material offers excellent fatigue resistance.
